

VECTOR FAST FRAME LIGHT BOX 01

VFF-LB-01-F

Vector Fast Frame™ Light Box 01 is an innovative, collapsible SEG light box that sets up in seconds. The collapsible frame is slim at 3.35" and has pre-attached LED lights on the left and right sides. The sides are magnetized allowing you to connect additional banners side by side easily. This simple frame holds seamless, easy-to-change silicone edge graphics (SEG), which are easily applied to the front and back. Graphics can be easily swapped out to deliver new messages so you can use the frame again and again! Vector Fast Frame Light Box 01 is lightweight, portable, and requires no tools, so assembly is a breeze. It packs down small, making travel and storage simple.

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE. See Graphic Templates for graphic bleed specifications
